“WasteExpo is the place to meet face to face with vendors. I can accomplish my goals and discuss future needs in one venue. Thank you!”

– **Tim Burns**
Waste Solutions Division Manager
Maryland Industrial Trucks, Inc

There's nothing quite like meeting customers face to face...

Over the past 50+ years we've helped usher in more significant innovations in the solid waste industry than any other event—and the future is more important now than ever.

WasteExpo is the only place you can connect meaningfully with motivated buyers and industry experts over a few short days. The event attracts new buyers every single year, and you'll walk away with new connections, fresh insights, and lucrative business deals.

WasteExpo drives big business. Let's do business together.

“If you’re not attending WasteExpo, you are missing out on tons of valuable products and services in the industry.”

- **Mike Raftery**
VP of Operations GEL Recycling

WasteExpo attendees are decision-makers—and they are ready to meet YOU!

Attendees represent a cross section of job functions:

- Corporate Management
- Operations Management
- Financial & Sales Management
- Engineering & Maintenance
- Consultant

...And they come from across the industry: waste services and recycling companies, governmental offices, equipment manufacturers, waste generators, and more.

Attendees comments on WasteExpo's greatest strengths:

- The opportunity to meet face-to-face with others in the industry, in order to exchange ideas, make new contacts and refresh existing relationships
- Bringing everyone together to see what is happening in the waste industry and allowing for exposure to so many products in one place
- Diversity within the industry, and quantity of quality vendors

Exhibitors comments on WasteExpo's greatest strengths:

- Ability to show our large equipment at a venue; no other shows where we can take such a large piece of equipment
- The networking opportunities and the quality of attendees
- The opportunity to meet with many of the industry's leaders in one location
