Conference: May 5-8, 2025
Expo Hall: May 6-8, 2025
Las Vegas Convention Center
Las Vegas, NV

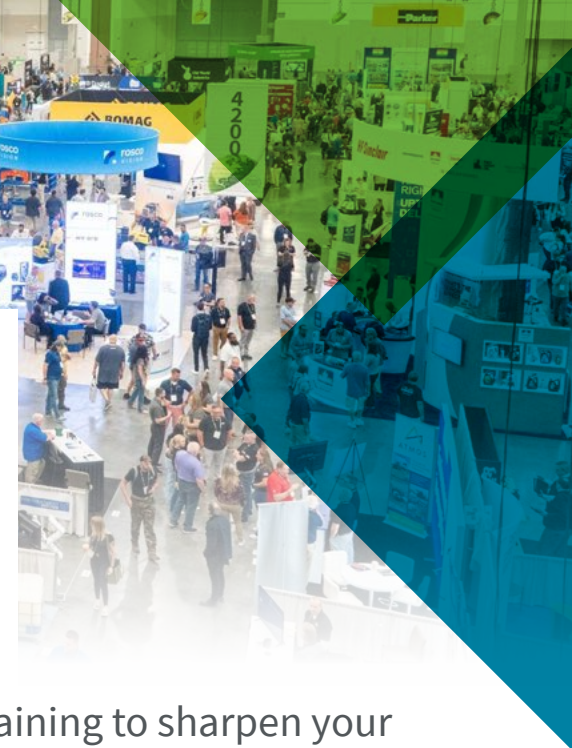

Show Brochure

Produced by:

In Collaboration with:

Explore the latest vehicles, discover cutting-edge technology, and learn the latest environmental practices at WasteExpo.

This premier event offers unmatched education and training to sharpen your skills, enhance job performance and boost your business. From connecting with 14,200 of your peers to doing business with 550+ exhibitors, it's one event that pays dividends all year long.

Who Should Attend?

Municipal authorities and private sector professionals responsible for solid waste management, recycling, organics, food waste recovery, and sustainability.

What Will You See?

WasteExpo exhibitors cover the entire waste, recycling and organics industry.

You'll find everything from trucks, trailers, loaders and cranes to balers, carts, compactors, shredders, recycling equipment, and landfill liners. Plus, you'll discover the latest advancements in:

- Waste-to-Energy Technologies
- Methane Gas Collections
- CNG and Electric Vehicles
- Composters
- Waste Reduction
- Processing Technologies
- Sustainability
- Food Waste & Recovery

Additionally, leading engineering and consulting firms will showcase technologies designed to help you run your business or department more efficiently.
